

Dear Church Friends,

As the coronavirus upends many aspects of our daily lives, City Mission has also been affected with the temporary closure of our 7 thrift stores. This loss has also brought a loss of 39% of our revenue. Although we still are serving our residents and the community, we need your help to continue during this crisis.

City Mission urgently needs your donations, especially clothing (in any condition), shoes, and food.

WAYS YOU CAN HELP

- Organize a church-wide drive to assist City Mission.
- Share this information with your congregation.
- Share this information on your social media.
- Pray for City Mission – We ask that all the area churches please pray that we can continue to serve our residents and continue to serve the community.
