# PAST

We believe God is calling Waterdam Church to expand our building to meet our most significant needs, as well as make a greater impact for the Kingdom of God.

We started out as body of 32 people meeting in the basement of an office building.

In 1989 our first service kicked off on Easter Sunday. The church grew in faith and in vision under the strong leadership of Pastor Michael Dunn to approximately 50 people.

# PRESENT

Today we are a body of a little more than 200 people sitting on about 6 acres of property. God blessed us to be able to pay off our \$650,000 mortgage in 2014!

Because of our significant growth over the years, we have had to make adjustments just to keep up.

We've added worship services and expanded our staff. We've expanded classroom space by tearing down walls and renovating rooms to meet the needs of the ministry God has provided.

We've expanded our parking lot and paved the parking area in front of the workshop. We've moved our offices from the church building to the house across the street to open up 3 new classrooms. There are no more walls to break down.

We believe God is calling us to go beyond our walls. The vision is to expand our building to make the most significant improvements in the areas of our greatest needs to reach as many people as we can for Jesus Christ.

# FUTURE

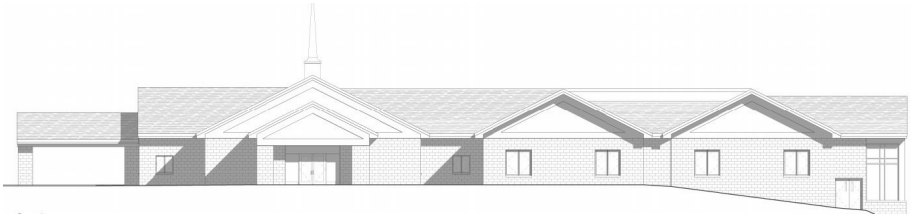

We believe the church is an outpost of Heaven and we are God's ambassadors called to reach the next generation. We see the need to provide a greater number of classrooms for children, student, and adult education space. We are inviting you to join us in the privilege we share in our mission of Transforming Lives through Jesus Christ.

**Souls are being Saved; Marriages are strengthened; Leaders are being developed and deployed. Ministry is multiplied.**

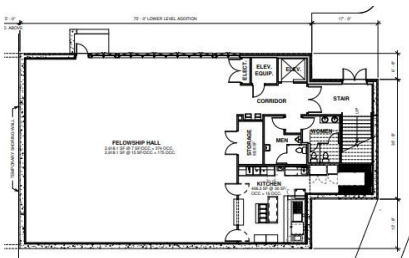

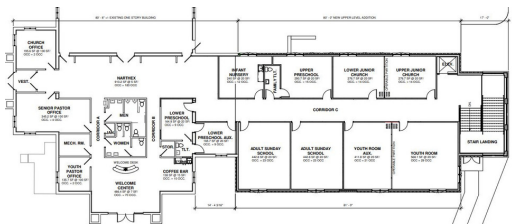

**Our Response:**

**God's Work; Done God's Way; In God's Time; Brings God's Resources**

As we follow God's leading for expansion of our facilities, God will provide for accomplishing this as we all together seek his leading in our individual financial responses.
