**Subject:** URGENT REQUEST - Human Coalition/Pitts Women's Clinic client needs

Looking for ways to help the clinic during the COVID-19 pandemic?

Most of our clientele receive food from the use of Food Stamps (SNAP) or WIC Checks, but with the grocery stores being limited on supplies, we have some expectant moms & new moms going hungry and unable to find formula/baby food for their babies. **For the essential items we would like to equip these clients with E-gift cards, so they can order their food items online and have them shipped directly to their home.**

We can adhere to the social distancing order put in place by forwarding these E-gift cards to client emails. We ask that these E-gift cards be in denominations of \$10-\$25, so that we can disperse them to multiple clients. The larger e-gift cards are not able to be split up and sent to multiple individuals.

**For churches** we humbly ask you to forward this request to your congregations if possible. We are being overwhelmed by the number of requests for assistance, and with many food pantries and free meal locations being paused, the resources for our clients are very limited. Obviously the length of the shutdown is unknown, and we want to be able to sustain a basic level of support for these women/families in need. Thank you so much!

The following link will allow you to order e-gift cards that can be emailed to our Clinic Director, Amy Lavelle, at [alavelle@thewomens.clinic](mailto:alavelle@thewomens.clinic)
